Reference

At the instance of the President of the Panchayat Board, Kudatini, the Collector of Bellary has submitted proposals for the survey of the four roads within the jurisdiction of the Panchayat Board. The Collector proposes to employ a special staff consisting of one Deputy Surveyor on Rs. 30-70 and five chainmen on Rs. 10/- each per mensem for a period of two months with ordinary travelling allowance to the deputy surveyor for any journeys made by him in the discharge of his duties, as the District Deputy Surveyor

cannot attend to this work without detriment to his legitimate duties. The total length of the roads to be surveyed is reported to be twelve furlongs and the cost of survey is estimated at Rs. 488/-. The Panchayat Board has agreed to bear one-third of the cost of the survey. The Board recommends that as the No.I Survey Party, Salem is now working in the Bellary town, the work may be entrusted to that Party.' The expenditure will be met from the survey budget in the current year. The Board requests that the Government will be pleased to sanction the survey in question.

The necessary notification under section 5 of Madras Act VIII of 1923 will be published by the Board after the survey is sanctioned by the Government.
